Out Of School Hours Care

A Project of the Springwood Neighbourhood
Centre Co-operative Ltd

About the Service

Tanderra OOSH is a service for primary-aged children to enjoy their out of school hours while their parents are at work, studying, seeking work or needing their children to receive care for any other reason.

Tanderra is managed by the Springwood Neighbourhood Centre Co-operative and has been providing quality care to families for over 30 years.

We provide a safe, fun and stimulating environment where children are supervised and guided by caring, experienced staff.

Tanderra is a safe and secure place for your children to be. Our staff team is made up of dedicated professionals who have up-to-date qualifications and undergo a police check and a Working With Children Check.

Our service is licensed under the National Education and Care Regulations and is regularly assessed to ensure national minimum standards are being met. At Tanderra, we are committed to providing the best care possible and as a community-based, not-for-profit service, we aim to offer that bit extra!

Use of the Service

Families from any area are welcome to use the service during Vacation Care. For Before and After School Care, we service the following schools:

- Ellison Public School
- Springwood Public School
- St Thomas Aquinas Primary School
- Blue Mountains Steiner School

We have wheelchair access and our service caters to children's individual needs, including dietary requirements.

For Before and After School Care, children may attend the service on a permanent or casual basis and families may book additional days as needed. During Vacation Care, families can book any days they need for the holiday period.

We aim to be flexible and supportive to meet the needs of modern families.

Transport

Children travel to and from the schools via school buses. Our staff see them safely on and off the buses in the mornings and afternoons.

Food

During term time we provide breakfast until 8.00am which is usually toast, cereal, yoghurt, muffins or some other healthy, nutritious item of the children's choice. In the afternoon, all children enjoy a healthy snack on arrival from school. Our menu changes each week and includes such things as fresh fruit, pasta, deli-platters, assorted sandwiches and other delicious foods.

Activities at the Centre

Children can choose from a variety of fun activities suited to their age, ability and interests.

The programme includes art, craft, sports, games, cooking, music, drama, local town excursions and much much more.

At Tanderra, children have the opportunity to:

- Form new friendships with children from different schools and backgrounds
- Be creative, resourceful and energetic
- Extend their interests and skills
- Make choices about how they would like to spend their recreational time
- Relax and have fun!
